III. Description

Appliance

- Weak domestic sales were caused by the sluggish domestic market
- Exports increased by approximately 60% due mainly to washing machines, refrigerators, and vacuum cleaners.

Display & Media

- Month-on-month, PDP sales went up 40% thanks to the smooth ramping up of 2nd Line.
- Strong DTV exports overcame slow domestic sales.
- LCD Monitor sales increased in anticipation of the Christmas season

Handsets

- Monthly sales units exceeded 3 million for the very first time.
- North America CDMA sales continued to increase.
- GSM sales expanded among Europe and North America operators.
